GUARANTEE & UNDERTAKING

OWNERS / DIRECTORS / RESPONSIBLE PERSONS

- The Applicant acknowledges that the TFFL account may enter a negative balance where insufficient funds are available to settle service transactions (a "Funds Shortfall").
- Where a Funds Shortfall occurs, the Applicant agrees to make an adequate deposit within 24 hours of being informed, enabling TFFL to settle all outstanding transactions.
- This guarantee is unconditional, without protest or prejudice, and binds the Applicant and, where the Applicant is a legal entity, its directors and principals. TFFL may use the guarantee to pursue recovery through a competent South African court.
- All legal and court costs arising from recovery of outstanding amounts will be for the Applicant's account.
- The Applicant accepts that the TFFL Customer Service Agreement will be presented electronically and must be accepted before use of the TFFL Management System. The Applicant is responsible for reading the agreement and future amendments.

Information Checked

By signing this document, the signatory accepts the terms and conditions recorded here and in the TFFL Customer Service Agreement. Where the Applicant is a legal entity, the signatory confirms that they have authority to execute this application and agreement on behalf of that entity. Written proof of authority, such as a duly signed company or trust resolution, must be supplied where required.

Vehicle List

If more than 8 vehicles are used, attach the separate vehicle template.
